

Title: Plumber	Effective Date: June 24, 2017	Grade: IX	Job Category: Skilled Craft
Prior Title: Initial Distribution	Prior Effective Date:	Grade:	Page: 1 of 1

CHARACTERISTICS OF WORK

Under general supervision and direction of the Master Plumber, this position will engage in assembly, installation, and repair of pipes, backflow prevention assemblies, fittings, and fixtures of heating, water supply, and waste disposal systems for buildings.

EXAMPLES OF WORK

The following examples are intended only as illustrations of various types of work performed. No attempt is made to be exhaustive. Related, similar, or other logical duties are performed as assigned. The Department may require employees to perform functions beyond those contained in job descriptions. The Department may modify job descriptions based on Department needs. The Arkansas State Highway and Transportation Department is an "at will" employer.

- Repair or replace existing plumbing fixtures, water lines, and backflow prevention assemblies.
- Perform plumbing work requested by project coordinator for statewide projects.
- Troubleshoot various plumbing problems statewide.

MINIMUM REQUIREMENTS

The educational equivalent to a diploma from an accredited high school. Journeyman Plumbing License. Valid driver's license. Statewide travel as necessary.

("Accredited" means the education institution or program is accredited by an accrediting organization recognized by the United States Department of Education or by the Council for Higher Education Accreditation.)
