Striping Superintendent	May 11, 2012	XIV	1 of 1

CHARACTERISTICS OF WORK

This position is accountable for supervising the striping crew personnel of the Maintenance Division to ensure that highway striping is done in a safe, timely manner.

EXAMPLES OF WORK

The following examples are intended only as illustrations of various types of work performed. No attempt is made to be exhaustive. Related, similar, or other logical duties are performed as assigned. The Department may require employees to perform functions beyond those contained in job descriptions. The Department may modify job descriptions based on Department needs. The Arkansas Department of Transportation is an "at will" employer.

- Schedule the daily activities of striping crews and inspect work progress.
- Provide for the maintenance of all striping equipment.
- Log state roads determining the condition of pavement markings.
- Recommend personnel assignments and approval or disapproval of leave requests.

MINIMUM REQUIREMENTS

The educational equivalent to a diploma from an accredited high school. Ability to read striping plans and lay out turn lanes and lane reduction transitions. Knowledge of various striping techniques and requirements of the Manual on Uniform Traffic Control Devices (MUTCD). Supervisory experience and familiarity with the maintenance and repair of the electrical and plumbing equipment of the striping trucks.

("Accredited" means the educational institution or program is accredited by an accrediting organization recognized either by the United States Department of Education or by the Council for Higher Education Accreditation.)
