

## **ARKANSAS DEPARTMENT OF TRANSPORTATION REQUEST FOR LETTERS OF INTEREST**

Notice is hereby given that the Arkansas Department of Transportation (ARDOT) is seeking letters of interest from qualified firms to provide support services and commercial off-the shelf web-based software that will house the database for the state and local bridge, culvert, and pedestrian bridge inventory and be expandable for additional assets in the future.

Requested services and software requirements to be provided include, but are not limited to:

- Office module that includes inventory, schedule, inspection, and maintenance management,
- Mobile collector module available offline for data collection, viewing and updating data in the field,
- Shall be structured to assist with compliance with federal regulations i.e. 23 CFR 650 Subpart C,
- Shall be structured to facilitate the tracking of metrics for the National Bridge Inspection Program (NBIP)
- Customizable Formats/Screens/Reports/Queries,
- Ability to assign various roles and permissions to ARDOT users,
- Ability to attach files to the asset and to individual reports,
- Ability to link photos to elements and maintenance deficiencies,
- Configurable dashboards to give quick information and summaries for often used information,
- GIS (Geographic Information System) mapping of assets,
- Integrated maintenance logging and tracking system independent of inspection reports,
- Data confirmation and validation on inspection uploads and individual data attributes,
- Ensures data type integrity within the database,
- Color coding for form fields allowing changes to be easily identified,
- Be fully API based,
- Option to host on-site or to be web hosted by Vendor,
- Migrate data including past inspection reports from the existing InspectTech database,

A letter of interest, together with primary contact information and a short technical brief (six page maximum) discussing the requirements listed above, along with company's relevant experience, shall be submitted to:

Joe Sartini  
State Maintenance Engineer  
Arkansas Dept. of Transportation  
P.O. Box 2261, Little Rock, AR 72203-2261

Joe Sartini  
State Maintenance Engineer  
Arkansas Dept. of Transportation - Maintenance  
11300 West Baseline Road, Little Rock, AR 72209

An evaluation of the requested services and software will be based on your ability to provide the listed requirements and experience. ARDOT reserves the right to request in-person discussions and possible demonstrations.

All responses must be received no later than 3:00 p.m. (CDT) on Monday September 16, 2019. Any responses received after this date will not be considered.

The Arkansas State Highway Commission, through ARDOT, complies with all civil rights provisions of federal statutes and related authorities that prohibit discrimination in programs and activities receiving federal financial assistance. Therefore, ARDOT does not discriminate on the basis of race, sex, color, age, national origin, religion (not applicable as a protected group under the Federal Motor Carrier Safety Administration Title VI Program), disability, Limited English Proficiency (LEP), or low-income status in the admission, access to and treatment in the ARDOT's programs and activities, as well as the ARDOT's hiring or employment practices. Complaints of alleged discrimination and inquiries regarding the ARDOT's nondiscrimination policies may be directed to Joanna P. McFadden Section Head – EEO/DBE (ADA/504/Title VI Coordinator), P.O. Box 2261, Little Rock, AR 72203, (501)569-2298 (Voice/TTY711), or the following email address: [Joanna.mcfadden@ardot.gov](mailto:Joanna.mcfadden@ardot.gov). Free language assistance for Limited English Proficient individuals is available upon request. This notice is available from the ADA/504/Title VI Coordinator in large print, on audiotape and in Braille.
