Pavement Preservation Tasks  
ARDOT Job Number 090534  
AHPP Tracking Number 103115

Dear Mr. Fleming:

The staff of the Arkansas Historic Preservation Program (AHPP) reviewed the Project Identification Form (PIF) for pavement preservation tasks under the above-referenced undertaking. The area of potential effects (APE) is coterminous with the existing right-of-way. As noted in the PIF, there is one National Register of Historic Places (NRHP)-eligible property (CR1105) known as the Hallendorf House proximal to the proposed APE. Resource CR1105 is approximately 25 meters (m) south of the APE. Additionally, a resource with an unknown NRHP eligibility status (CR2047) known as the Green Forest Livestock Auction lies approximately 50 m north of the APE. There are no previously recorded archeological sites within or proximal to the APE.

Based on the background research and information provided by ARDOT specifying that the proposed undertaking will be limited to 4.9 kilometers (3.05 miles) of existing roadway, the AHPP delivers a finding of "No Historic Properties Affected" pursuant to 36 CFR § 800.4(d)(1).

Thank you for the opportunity to review this undertaking. Please refer to the AHPP Tracking Number listed above in all correspondence. If you have any questions, please call Eric Mills of my staff at 501-324-9784 or email [eric.mills@arkansas.gov](mailto:eric.mills@arkansas.gov).

Sincerely,

Scott Kaufman  
Director, AHPP
