

NOTICE

TRANSITION TO AASHTOWARE PROJECT BIDS™

Beginning with the January 17, 2018 letting,

the Arkansas Department of Transportation will transition from Expedite to AASHTOWare Project Bids™ bidding software. From this point forward, the Department will only accept internet bids submitted through Bid Express using AASHTOWare Projects Bids™ bidding software.

Current digital IDs used in conjunction with Expedite are no longer valid. Prospective bidders must contact Bid Express, beginning November 20, 2017, to create a new digital ID for Project Bids.

Bid Express' toll-free phone number is 1-888-352-2439 and their website address is www.bidx.com.

For more information about AASHTOWare Project Bids™ bidding software, please visit the link below.
