A Special Welcome from the Arkansas State Highway Commission and the Director

Welcome to Arkansas! The Arkansas State Highway Commission and the staff of the Arkansas Department of Transportation are pleased to present you with this map that opens the door to many of the exciting places our Great State has to offer. Destinations for hiking a trail, canoeing a lake or stream, or exploring a museum can all be found on this map. As you travel our State, drop in to one of our Arkansas Welcome Centers found along many of our highways. Each has a staff ready to answer your travel questions and make you feel right at home. You'll find information on the many things to see and do in the area. Look for the Welcome Centers in Fayetteville, Corning, El Dorado, Fort Smith, Helena-West Helena, Lake Village, Silvan, Springdale, Texarkana, West Memphis and at the Red River north of Texarkana. A good source of information before you travel is our Arkansas Welcome website. Visit the site to find information on real time traffic conditions, construction zone locations, current road conditions and the location of Rest Areas. We ask that you help us "Keep Arkansas Beautiful" by keeping litter in its place. If you should see litter being thrown from a vehicle, call our 24-hour litter hotline at 866-811-1222. Together, we can keep Arkansas clean and green! As you travel, remember to be careful in our construction zones. Road crews are hard at work keeping our highways in top condition. Being courteous in their work keeps everyone safe. Have a safe trip and take plenty of time to see all that Arkansas has to offer!

A Message from the Governor

Welcome to Arkansas! There's no place like the Natural State. Arkansas has always been a destination state for travel partly because our natural beauty almost seems to sell itself. Our incredible state parks and variety of top-tier destinations make Arkansas a place you won't want to pass up the chance to visit. Whether you're traveling through miles of breath-taking scenery across the Ozarks or you're taking in the lush rolling fields of the Delta at sunset, Arkansas has something for everyone. Visitors of all ages will marvel at not just the scenery, but the kind-hearted southern hospitality you'll find at every destination. For those who love the outdoors, take a bike ride along the Delta Heritage Trail or dig for diamonds at Crater of Diamonds State Park. If you would rather be digging into history, tour the Arkansas State Capitol in the heart of Central Arkansas or visit the Boardwalk Homes of Johnny Cash at the Historic Drees Center. For those who enjoy the arts, be sure to stroll through the many galleries at the Crystal Bridges Museum of American Art or catch a performance at the newly-restored Robinson Center. Arkansas rich heritage culture is evident in everything from outdoor recreation to contemporary attractions. During your travels, please utilize our growing network of highways and interstates, maintained by the Arkansas Department of Transportation, to start an adventure of a lifetime. As governor, I am confident your visit will be an experience you won't soon forget. And again, welcome to Arkansas!
