## 2018 Q2 Statistics

The Arkansas Department of Transportation, in collaboration with traffic incident management (TIM) stakeholders within our state, is proud to bring you the TIM quarterly report. This document will provide a snapshot of Arkansas' efforts to improve safety and mobility on our State Highway System through TIM.

1 Reported through National TIM Responder Training Program, 4/3/18 to 7/9/18

2 Reported through ACTIS

3 2018 preliminary data reported through eCrash
