

## INTEROFFICE MEMORANDUM

**DATE: May 26, 1971**

**TO:** Bridge Design Personnel  
**FROM:** Veral Pinkerton, Bridge Engineer  
**SUBJECT:** Welded Plate Girder Spans

The following note should be added to the General Notes for Welded Plate Girder Spans on all future jobs.

All welding that is to be done during fabrication of structural steel, including temporary welds, shall be detailed on the shop drawings and submitted for approval. If the Contractor or Erector should want to make additional welds, whether temporary or permanent, he shall submit detailed drawings with a formal request to the Bridge Design Division of the Arkansas State Highway Department for approval.
