

INTEROFFICE MEMORANDUM

DATE: January 17, 1985

TO: BRIDGE DIVISION
FROM: Veral Pinkerton, Bridge Engineer
SUBJECT: Maintenance of Traffic

On all projects, with the exception of bridge widenings in rural areas with low traffic volumes, which require a reduction in the number of lanes of traffic the following handling will be required.

1. At the time the layout is submitted for approval, or before if possible, a copy of the traffic handling system will be submitted to the Traffic Division for approval.
2. No further work should be undertaken on the job until approval of reduction in number of lanes is received from Traffic Division.

cc: Asst. Chief Engineer - Design
Traffic Division
Roadway Design Division
