Effective immediately, it will be Division policy that timber decks for temporary bridges shall be constructed with transverse planks without runners. Any temporary bridges submitted for review should follow this policy regardless of who prepared the design.

We propose to revise Special Provision 603-3 to agree with our policy.

FMH:bw

*(NO Longitudinal  
Planks on  
Deck)*

*Use  
Concrete  
Deck  
whenever  
Current  
A.D.T. is used*
