

**INTEROFFICE MEMORANDUM**

**DATE:** August 26, 1986

**TO:** BRIDGE DESIGN PERSONNEL  
**FROM:** Veral Pinkerton, Bridge Engineer  
**SUBJECT:** Easements for Channel Work & Detour Bridges

On all projects requiring an easement for channel work or detour bridges, please send a copy of the layout to the Right of Way Division.

This is in response to the problem that the department has experienced regarding the value of the channel excavation material.
