

INTEROFFICE MEMORANDUM

DATE: April 16, 1991

TO: BRIDGE DIVISION PERSONNEL

FROM: Veral Pinkerton, Bridge Engineer

SUBJECT: Design Specification Changes

Any design specification change which results in a less conservative design shall not be used until a comparative design is made and the results submitted to me for approval.

After consulting with Frank Harrison and the section heads, I will make a determination as to whether the revised specification is to be accepted as our standard policy.
