

INTEROFFICE MEMORANDUM

DATE: March 16, 1993

TO: BRIDGE DIVISION PERSONNEL

FROM: Veral Pinkerton, Bridge Engineer

SUBJECT: Detour Bridges

Where detour bridges are required on jobs with a present ADT of 1500 or greater, we should not allow the use of a timber deck.

We should also look at those with 1000 - 1500 ADT and high percent trucks on a case by case basis.
