

ARKANSAS STATE HIGHWAY AND TRANSPORTATION DEPARTMENT

REQUEST FOR LETTERS OF INTEREST

Notice is hereby given that the Arkansas State Highway and Transportation Department is seeking letters of interest from qualified engineering consultant firms for the design of improvements to the I-430 & I-630 Interchange in Little Rock, Arkansas.

The work includes engineering services for the design of interchange modifications as defined in the I-430 and I-630 Interchange Concepts Final Summary Report. The work will generally consist of providing geotechnical studies, hydraulic studies, roadway design and plans, bridge design and plans, maintenance of traffic design and plans, and right-of-way plans.

A letter of interest, together with general information on the firm, the firm's brochure showing experience in similar work, Form SF-330, Parts I and II, and a resume of key personnel to be assigned to the project should be addressed to:

Mr. Robert L. Walters
Chief Engineer
Arkansas State Highway
and Transportation Dept.
P. O. Box 2261
Little Rock, AR 72203

OR

Mr. Robert L. Walters
Chief Engineer
Arkansas State Highway
and Transportation Dept.
10324 Interstate 30
Little Rock, AR 72209

Five (5) sets of responses must be received no later than 4:00 p.m. on December 6, 2006. Any responses received after this deadline will not be considered.

After a review of all letters of interest received, selected firms will be furnished a scope of work and requested to submit proposals for accomplishing the work.
