

CITY OF NORTH LITTLE ROCK
REQUEST FOR LETTER OF INTREST

Notice is hereby given that the City of North Little Rock is seeking letters of interest from qualified consulting engineering firms for the McCain Rail Grade Separation Project in North Little Rock, Arkansas.

The work will generally consist of proving environmental documentation, surveying, geotechnical studies and foundation reports, roadway and bridge design including necessary hydraulic information, with construction plans and specifications, and right-of-way plans. The work will also include construction inspection / observation.

This project includes federal funds along with review and approval of the work by the Arkansas State Highway and Transportation Department. All work and contract requirements shall confirm to requirements of the Federal Highway Administration and Arkansas State Highway and Transportation Department.

A letter of interest, together with primary contract information and Architect-Engineer Qualifications Standard Form 330 Parts I and II available at http://arkansashighways.com/consultant_services/advertisements/ should be addressed to:

William "Mike" Smith, Chief City Engineer, P.E.
500 West 13th Street
North Little Rock, Arkansas 72114

Three (3) sets of responses must be received no later than twelve o'clock noon CDT, Friday, October 22nd, 2010. Any responses received after this deadline will not be considered.

After a review of all letters of interest received, selected firms will be furnished a scope of work and requested to submit proposals for accomplishing the work.

The City of North Little Rock complies with the provisions of the Americans with Disabilities Act, Section 504 of the Rehabilitation Act, Title VI of the Civil Rights Act of 1964, FHWA Guidance and any other Federal, State, and/or local laws, rules and/or regulations.
