

## **CITY OF JONESBORO**

### **REQUEST FOR LETTER OF INTEREST**

Notice is hereby given that the City of Jonesboro is seeking letters of interest from qualified consulting engineering firms to determine the feasibility of and provide preliminary engineering for improvements to the intersection of Highway 351 (Airport Road) and Aggie Road in Jonesboro, Arkansas.

Engineering services will generally include conducting necessary traffic studies and preparing environmental documentation, right-of-way plans, construction plans, specifications, and cost estimates.

This project includes federal funds along with review and approval of the work by the Arkansas State Highway and Transportation Department (AHTD). All work and contract requirements shall conform to requirements of the Federal Highway Administration and AHTD.

A letter of interest, together with primary contact information and Architect-Engineer Qualifications Standard Form 330 Parts I and II available at [http://arkansashighways.com/consultant\\_services/advertisements/sf330\\_e2014-10-31.pdf](http://arkansashighways.com/consultant_services/advertisements/sf330_e2014-10-31.pdf) should be addressed to:

Steve Kent  
Purchasing Agent  
515 W. Washington Avenue  
Jonesboro, AR 72401

Five sets of responses must be received no later than 2:00 p.m. (CST), Wednesday, February 6, 2013. Any responses received after this deadline will not be considered.

After a review of all letters of interest received, selected firms will be furnished a scope of work and requested to submit proposals for accomplishing the work.

City of Jonesboro complies with the provisions of the Americans with Disabilities Act, Section 504 of the Rehabilitation Act, Title VI of the Civil Rights Act of 1964, FHWA Guidance and any other Federal, State, and/or local laws, rules and/or regulations.
