

## ADVERTISEMENT -REQUEST FOR PROPOSALS

The City of Conway is accepting sealed proposals to provide Adaptive Signal Control Technology (ASCT) for Oak Street (US 64) until **10:00 a.m.** Central Standard time on the **17th of June, 2020** in the Downtown Conference Road at City Hall, **1111 Main Street, Conway, Arkansas 72032**, at which time and place all proposals will be opened and reviewed. The City of Conway encourages remote bid openings during the current pandemic. All plan holders will be sent an invite link to join the public bid opening via Zoom.

This work consists of furnishing, installing, testing and assisting in the maintenance of ASCT. The ASCT shall consist of a full adaptive signal control software and necessary hardware that operates at the City Traffic Engineering building in accordance with requirements set forth for the project

The City of Conway hereby notifies all bidders that this contract is subject to applicable labor laws, non-discrimination provisions, wage rates laws and other federal laws including the Fair Labor Standards Acts of 1938. The Work Hours Act of 1962 and Title VI of the Civil Rights Act of 1964 also apply.

Deliver/mail submittals to the attention of Mayor Bart Castleberry at the address listed above.

Submittal documents can be obtained by e-mailing: [bvines@halff.com](mailto:bvines@halff.com).
