

**ARKANSAS DEPARTMENT OF TRANSPORTATION**

**REQUEST FOR QUALIFICATIONS**

**On-Call Landslide Repair Services**

Notice is hereby given that the Arkansas Department of Transportation (Department) is seeking statements of qualifications from companies with extensive experience repairing roadways damaged by landslides, acts of nature, or other geohazards. Companies meeting qualification requirements will be considered for providing on-call repair services pending Arkansas State Highway Commission approval as funds become available through December 2023.

The work will generally consist of landslide repair using conventional methods including rock-fill buttress, check dams, gabion walls, slide head excavation, ground improvement, drainage improvement, and lightweight fill. Additional technologies may be submitted for acceptance.

Copies of the full Request for Qualifications (RFQ) may be obtained by contacting:
