Notary Public

General Information and Instructions for Hazardous Waste Transportation Permit Initial Application

- I. All transporters of hazardous wastes must obtain a permit from the Arkansas Highway Police prior to transporting hazardous waste in the State of Arkansas. Questions concerning the application process should be directed to the Arkansas Highway Police at (501) 569-2546.

- II. **The initial application must be notarized** and accompanied by :
 - (a) Proof of \$1 million minimum liability insurance
 - (b) Complete list of vehicles operated by the motor carrier. Copy of current periodic inspection pursuant to **Rule** 396.17 of the Federal Motor Carrier Safety Regulations for each commercial motor vehicle being utilized in the transportation of hazardous waste; or a **notarized** statement indicating all commercial motor vehicles being utilized in the transportation of hazardous waste have had a current periodic inspection within the past 365 days and a copy of the inspection is on file at the motor carrier office.
 - (c) Statement giving full information concerning ownership, **Make, Model, VIN number**, reasonable value and physical condition of vehicles and other property to be used
 - (d) Statement that such equipment meets all pertinent U.S. DOT specifications
 - (e) Description of applicant's vehicle maintenance program
 - (f) Description of applicant's safety program, including employee training relating to the handling of hazardous waste
 - (g) Financial statements
 - (h) Initial Application fee of \$50 in the form of a company check or money order made payable to **Arkansas State Highway and Transportation Department**.

- III. For hire common and contract carriers planning to transport any hazardous waste having commercial value must have intrastate operating authority issued by the Arkansas State Highway Commission before applying for a Hazardous Waste Transportation Permit.

- IV. Private carriers, as defined by the Arkansas Motor Carrier Act, are not required to obtain intrastate operating authority, regardless of whether or not the waste has value.

- V. The applicant's U.S. DOT Safestat Rating will be reviewed in processing the renewal application. Those carriers with a rating of "satisfactory" will be issued a permit. Those with a rating of "unsatisfactory" will be denied a permit. Carriers without a safety rating or with a rating of "conditional" will be issued a conditional permit.

- VI. Hazardous Waste Transportation Permits are nontransferable and are valid for one year from date of original issue.

- VII. Hazardous Waste Transportation Permits may be suspended or revoked in whole, or in part, as provided in Section 14 of the Arkansas Motor Carrier Act, for cause, including but not limited to the following:
 - a. Violation of any terms of the permit or the Arkansas Hazardous Waste Management Act,
 - b. Any violation of the rules and regulations adopted by the Arkansas Highway and Transportation Department pursuant to the Arkansas Motor Carrier Act, the Arkansas Hazardous Waste Management Act, or the Arkansas Hazardous Material Transportation Act,

- c. Any violation of applicable rules and regulations adopted by the Arkansas Department of Environmental Quality; or
- d. Misrepresentation of any material fact in the permit application.

VIII. The physical address of the Arkansas Highway Police is 10324 Interstate 30, Little Rock, Arkansas. The mailing address is P.O. Box 2779, Little Rock, AR 72203-2779.

REMINDER: The Arkansas Highway Police does not issue renewal notices. It is the responsibility of each permit holder to make application for renewal each year.
