## NIGHTTIME I-40 LANE CLOSURE SCHEDULED THROUGH NORTH LITTLE ROCK AREA

**LITTLE ROCK (8-18)** – Crews working on I-40 between the I-30 interchange and the Highway 67/167 interchange in North Little Rock will have a single nighttime lane closure over the next three months, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Beginning Wednesday, August 19, crews will perform patch work between the hours of 7:00 p.m. and 6:00 a.m. Work will be performed on both eastbound and westbound lanes, but crews will begin work on the eastbound side. Weather permitting, the work is expected to be completed by mid-November.

The \$1.4 million project, awarded to Redstone Construction Group, Inc., of Little Rock, is being funded through the American Recovery and Reinvestment Act of 2009.

Motorists should exercise caution when approaching and traveling through all highway work zones.
