IMPROVEMENTS ON INTERSTATE 430 BRIDGE REQUIRE LANE CLOSURES

LITTLE ROCK (9-22) – Crews performing deck repairs on the Interstate 430 Bridge over the Arkansas River between Little Rock and North Little Rock will require lane closures beginning Wednesday, September 23rd and continuing through Friday, October 2nd according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews doing concrete patching will require the northbound, outside lane to be closed on Wednesday, September 23rd. Crews will then move to the southbound, outside lane where they will remain until late next week. Closures will be in place between the hours of 9:00 a.m. and 3:00 p.m. each week day, weather permitting.

As always, motorists are urged to use an alternate route if possible and to exercise caution when approaching and traveling through highway work zones.
