INSPECTION ON HIGHWAY 365 BRIDGE REQUIRES LANE CLOSURE

LITTLE ROCK (10-30) – Crews performing a routine inspection on the Highway 365 Bridge over Palarm Creek, at the Pulaski County/Faulkner County line, will require a lane closure next week, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The inspection will require the southbound lane to be closed Wednesday, November 4th and Thursday, November 5th. The lane will be closed between the hours of 9:00 a.m. and 3:00 p.m. each day, weather permitting. Flaggers will route traffic through the inspection area.

As always, motorists are urged to use an alternate route if possible and to exercise caution when approaching and traveling through highway work zones.
