INTERSTATE 440 INSPECTION REQUIRES LANE CLOSURE

LITTLE ROCK (12-23) – Crews performing a routine inspection on Interstate 440 in Little Rock, between the Little Rock National Airport and the Interstate 440/30 Interchange, will require a lane closure next week, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Weather permitting, the inspection will require the westbound, outside lane to be closed on Wednesday, December 30 from 9:00 a.m. to 3:00 p.m.

As always, motorists are urged to use an alternate route if possible and to exercise caution when approaching and traveling through highway work zones.
