### ARKANSAS STATE HIGHWAY COMMISSION OPENS BIDS FOR IMPROVEMENTS IN ASHLEY COUNTY

**LITTLE ROCK (5-20)** -- The Arkansas State Highway Commission has opened bids for improvements to a roadway in Ashley County, according to Commission Vice Chairman R. Madison Murphy of El Dorado.

The purpose of the project is to resurface approximately 5.5 miles of Highway 82 at Hamburg. R.M. Courson, Inc. of Hamburg, Arkansas, was awarded the contract at \$1,427,080.44.

“This resurfacing project will begin at Highway 425 West and will extend southward through Hamburg to Highway 52,” stated Murphy.

Murphy said work could begin on the project in two to four weeks, weather permitting. Completion is expected by September 14, 2009.

The project is being funded with money provided by the American Recovery and Reinvestment Act of 2009 (ARRA). The Act provided Arkansas with \$351 million in federal stimulus funds for roadway and bridge improvements throughout the state. Additional information about the ARRA can be found at [www.recovery.gov](http://www.recovery.gov).
