ARKANSAS STATE HIGHWAY COMMISSION OPENS BIDS FOR IMPROVEMENTS IN CALHOUN COUNTY

LITTLE ROCK (4-16) -- The Arkansas State Highway Commission has opened bids for improvements to a roadway in Calhoun County, according to Commission Vice Chairman R. Madison Murphy of El Dorado.

The purpose of the project is to resurface approximately 3.6 miles of Highway 167. Jet Asphalt & Rock Company, Inc. of El Dorado, Arkansas, was awarded the contract at \$890,233.24.

“This resurfacing project will begin in the city of Hampton and extend southward,” stated Murphy.

Murphy said work could begin on the project in six to eight weeks, weather permitting. Completion is expected by August 3, 2009.

The project is being funded with money provided by the American Recovery and Reinvestment Act of 2009 (ARRA). The Act provides Arkansas with \$351 million in federal stimulus funds for roadway and bridge improvements throughout the state. Additional information about the ARRA can be found at www.recovery.gov. For more information about its impact on Arkansas, go to www.recovery.arkansas.gov. Information about specific road and bridge construction projects can be found by going to www.ArkansasHighways.com, and clicking on the ARRA logo and link in the middle of the page.
