ARKANSAS STATE HIGHWAY COMMISSION OPENS BIDS FOR IMPROVEMENTS IN CRAIGHEAD COUNTY

LITTLE ROCK (4-16) -- The Arkansas State Highway Commission has opened bids for improvements to a roadway in Craighead County, according to Commissioner John Ed Regenold of Armorel.

The purpose of the project is to replace selected sections of the concrete pavement on Highway 63 in Jonesboro. Chester Bross Construction Company of Hannibal, Missouri, was awarded the contract at \$934,304.58.

“This project will rehabilitate approximately four miles of Highway 63 between Highway 91 and Highway 226,” stated Regenold.

Regenold said work could begin on the project in six to eight weeks, weather permitting. Completion is expected by August 3, 2009.

The project is being funded with money provided by the American Recovery and Reinvestment Act of 2009 (ARRA). The Act provides Arkansas with \$351 million in federal stimulus funds for roadway and bridge improvements throughout the state. Additional information about the ARRA can be found at www.recovery.gov. For more information about its impact on Arkansas, go to www.recovery.arkansas.gov. Information about specific road and bridge construction projects can be found by going to www.ArkansasHighways.com, and clicking on the ARRA logo and link in the middle of the page.
