### ARKANSAS STATE HIGHWAY COMMISSION OPENS BIDS FOR IMPROVEMENTS IN HOT SPRING COUNTY

**LITTLE ROCK (4-16)** -- The Arkansas State Highway Commission has opened bids for improvements to a roadway in Hot Spring County, according to Commission Chairman Carl Rosenbaum of Little Rock.

The purpose of the project is to resurface approximately one mile of Highway 67. Cranford Construction Company of North Little Rock, Arkansas, was awarded the contract at \$235,804.36.

“This resurfacing project will begin at the city of Glen Rose and continue southward,” stated Rosenbaum.

Rosenbaum said work could begin on the project in six to eight weeks, weather permitting. Completion is expected by August 3, 2009.

The project is being funded with money provided by the American Recovery and Reinvestment Act of 2009 (ARRA). The Act provides Arkansas with \$351 million in federal stimulus funds for roadway and bridge improvements throughout the state. Additional information about the ARRA can be found at [www.recovery.gov](http://www.recovery.gov).
