### ARKANSAS STATE HIGHWAY COMMISSION OPENS BIDS FOR IMPROVEMENTS IN WHITE COUNTY

**LITTLE ROCK (4-16)** -- The Arkansas State Highway Commission has opened bids for improvements to a roadway in White County, according to Commissioner Cliff Hoofman of North Little Rock.

The purpose of the project is to resurface approximately 2.6 miles of Highway 167. Atlas Asphalt, Inc. of Jonesboro, Arkansas, was awarded the contract at \$856,049.78.

“This resurfacing project will begin at Pleasant Plains, in Independence County, and continue southward into White County,” stated Hoofman.

Hoofman said work could begin on the project in six to eight weeks, weather permitting. Completion is expected in late 2009.

The project is being funded with money provided by the American Recovery and Reinvestment Act of 2009. The Act provides Arkansas with \$351 million in federal stimulus funds for roadway and bridge improvements throughout the state.
