INSPECTION ON BROADWAY BRIDGE REQUIRES LANE CLOSURE

LITTLE ROCK (1-22) – Crews performing a routine inspection on the Broadway Bridge over the Arkansas River, between Little Rock and North Little Rock, will require a lane closure next week, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The lane closure will alternate between the southbound, outside lane and the northbound, outside lane between Monday, January 25th and Thursday, January 28th. The lanes will alternately be closed between the hours of 9:00 a.m. and 3:00 p.m. each day, weather permitting.

As always, motorists are urged to use an alternate route if possible and to exercise caution when approaching and traveling through highway work zones.
