LANE CLOSURES SCHEDULED FOR PULASKI COUNTY

LITTLE ROCK (4-8) Lane closures are scheduled on two major highways in Central Arkansas next week, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews removing debris and grass by the median barrier wall will require a lane closure on Highway 67 in Jacksonville, near the Main Street exit/entrance ramps (Milemarker 8 to 10).

The work will require the northbound, inside lane to be closed beginning Monday, April 12th and continuing through Thursday, April 15th, weather permitting. The lane closure will be in effect from 9:00 a.m. to 3:00 p.m. each day.

Also scheduled next week is a lane closure on the Interstate 440 Bridge, over the Arkansas River between Little Rock and North Little Rock.

Crews performing a routine bridge inspection will require a lane closure alternating between the northbound and southbound outside lanes. The lane closure will begin on Tuesday, April 13th and continue through Thursday, April 15th, weather permitting. The lane closure will be in effect from 9:00 a.m. to 3:00 p.m. each day.

Motorists should exercise caution when approaching and traveling through all highway work zones.
