The cover of the 2010 highway map features the Gulpha Gorge Recreation Area on Highway 7 Spur in Hot Springs National Park. It also includes messages from Governor Mike Beebe and the Arkansas State Highway Commission welcoming visitors to the state. The map incorporates 20 inset maps of Arkansas cities, a chart showing mileage between cities and a directory of Public Recreation Areas featuring State Parks and Historic Memorials, National Park Sites, National Forest Recreation Areas and Corps of Engineers Parks. It includes contact information for weather related and construction related road conditions and information on Arkansas' scenic byways.

More than one million maps are expected to be distributed free of charge to the public.
