LANE SHIFTS ON WEST MEMPHIS PROJECT BEGIN THURSDAY MORNING ON INTERSTATE 40

LITTLE ROCK (5-4) Crews working on the Interstate 40 project near the Interstate 55/Interstate 40 Interchange, in West Memphis, will begin to shift eastbound traffic from the old lanes to newly constructed lanes beginning at 9:00 a.m. on Thursday, May 6, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Weather-permitting, the shift will be completed by the end of the day. Crews will begin tearing out the old lanes once concrete barriers are placed through the new work area.

Motorists should exercise caution when approaching and traveling through all highway work zones.
