WEST MEMPHIS RAMP CLOSURE DELAYED I-40 MLK RAMP WORK TO BEGIN WEDNESDAY, MAY 12

LITTLE ROCK (5-10) Crews working on the I-40 West Memphis construction project have delayed the closure of the MLK Drive eastbound on-ramp until Wednesday, May 12, according to Arkansas State Highway and Transportation Department (AHTD) officials.

During the next several weeks, detour signs will be in place advising motorists to use I-55 Exit 4 to access MLK Drive during the ramp closure. Crews are working to re-build the concrete connection between the on-ramp and the I-40 mainlanes.

Motorists should exercise caution when approaching and traveling through all highway work zones.
