LANE CLOSURE ON I-40 IN NLR BEGINS NEXT WEEK

LITTLE ROCK (5-14) Crews working on Interstate 40 in North Little Rock will have an overnight lane closure over the next two weeks, according to Arkansas State Highway and Transportation Department (AHTD) officials. The work is between the I-30/I-40 north terminal and the I-40/Highway 67 interchange to the east.

Weather-permitting, the lane closure will begin on the eastbound side of I-40 on Monday, May 17. Only one lane will be closed during the Monday-Friday 7:00 p.m. to 6:00 a.m. work schedule. Workers are expected to move to the westbound lanes beginning Monday, May 24 as they repair pavement and stripe lanes through the area.

Motorists should exercise caution when approaching and traveling through all highway work zones.
