OVERNIGHT I-55 LANE CLOSURES ON WEST MEMPHIS PROJECT

LITTLE ROCK (5-14) Crews working on the I-40/I-55 West Memphis construction project will have intermittent overnight lane closures on Monday, May 17 from 11:00 p.m. until 5:00 a.m., according to Arkansas State Highway and Transportation Department (AHTD) officials.

Weather permitting, workers will close I-55 northbound main lanes for up to 10 minutes in order to remove steel beams from the old bridge at the I-40/I-55 Interchange.

Motorists should exercise caution when approaching and traveling through all highway work zones.
