NIGHT TIME I-630 LANE CLOSURES SCHEDULED

LITTLE ROCK (6-4) Crews working on the I-430/630 Interchange project will have intermittent night time lane closures next week, according to Arkansas State Highway and Transportation Department officials.

Workers will be placing new I-430 bridge beams over the I-630 main lanes and will close only the I-630 lanes for up to 15-minute intervals. Weather-permitting, the work will be done between 9:00 p.m. and 5:00 a.m. Monday, June 7 through Friday morning, June 11.

Motorists should exercise caution when approaching and traveling through all highway work zones.
