IMPROVEMENTS ON INTERSTATE 30 IN LITTLE ROCK WILL REQUIRE NIGHTTIME LANE CLOSURES

LITTLE ROCK (7-2) Crews laying sections of new asphalt on Interstate 30, in Little Rock, will require nighttime lane closures next week, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The lane closures will be located on Interstate 30 between the Interstate 30/440 interchange and the Interstate 30 bridge, downtown (Mile Marker 138 to 140).

The work will require two eastbound lanes to be closed beginning Tuesday, July 6th, and continuing through Thursday, July 8th, weather permitting. The lane closure will be in effect from 8:00 p.m. to 6:00 a.m. each night.

Motorists should exercise caution when approaching and traveling through all highway work zones.
