IMPROVEMENTS ON INTERSTATE 30 IN LITTLE ROCK WILL REQUIRE NIGHTTIME LANE CLOSURES

LITTLE ROCK (7-9) Crews laying sections of new asphalt on Interstate 30, in Little Rock, will require nighttime lane closures next week, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The lane closures will be located on Interstate 30 between Roosevelt Road and the Interstate 30 Bridge, downtown (Mile Marker 138 to 140).

The work will require one eastbound lane to be closed Tuesday, July 13th, and one westbound lane to be closed on Wednesday, July 14th, and Thursday, July 15th, weather permitting. The lane closures will be in effect from 9:00 p.m. to 6:00 a.m. each night.

Motorists should exercise caution when approaching and traveling through all highway work zones.
