HIGHWAY 183 BAUXITE WORK WILL REQUIRE LANE CLOSURE

LITTLE ROCK (8-26) Crews performing overlay work on Highway 183 near Bauxite will require a lane closure next week, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Weather permitting, work will alternate between lanes from 7 a.m. to 7 p.m. each day, starting on Monday, August 30. The project is estimated to be complete by Friday.

Motorists should exercise caution when approaching and traveling through all highway work zones.
