INSPECTION ON INTERSTATE 430 BRIDGE WILL REQUIRE LANE CLOSURE

LITTLE ROCK (9-29) Crews performing a routine inspection of the Interstate 430 Bridge over the Arkansas River, between Little Rock and North Little Rock, will require a lane closure next week, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The inspection will require an alternating lane closure beginning Monday, October 4th and continuing through Thursday, October 7th. The work will alternate between the southbound, outside and the northbound, outside lane. The lane closure will be in effect from 9:00 a.m. to 3:00 p.m. each day, weather permitting.

Motorists should exercise caution when approaching and traveling through all highway work zones.
