TRAFFIC SHIFTS TO NEW LANES ON HIGHWAY 67/167 NEXT WEEK

LITTLE ROCK (10-1) Crews working on the widening of Highway 67/167 between Sherwood and Jacksonville, will shift northbound traffic from the old lanes to newly constructed lanes beginning Tuesday evening, October 5, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Shifting traffic to the new lanes will require a single lane to be closed north of Kiehl Avenue beginning at 7:00 p.m. on Tuesday, October 4 and continuing until 6:00 a.m. on Friday, October 5, weather permitting.

Motorists should exercise caution when approaching and traveling through all highway work zones.
