BRIDGE INSPECTION TO REQUIRE LANE CLOSURES ON HIGHWAY 440

LITTLE ROCK (11-29) Crews performing a bridge inspection on Highway 440 will require lane closures this week, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The inspection, located near the Faulkner Lake Exit (MM 8), will require an alternating lane closure between the eastbound and westbound lanes on Tuesday, November 30th and Wednesday, December 1st.

The lane closures will be in effect between the hours of 9:00 a.m. and 3:00 p.m. each day, weather permitting.

Motorists should exercise caution when approaching and traveling through all highway work zones.
