PAVEMENT TESTING TO REQUIRE LANE CLOSURE ON HIGHWAY 67 AT CABOT

LITTLE ROCK (12-6) Crews performing pavement testing will require a lane closure this week on Highway 67, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The testing will be located on Highway 67 at Cabot, between the Highway 5/321 Exit (Exit 16) and the Highway 89 Exit (Exit 19). The testing will require the northbound, outside lane to be closed on Wednesday, December 8th.

The lane closure will be in effect between the hours of 9:00 a.m. and 3:00 p.m., weather permitting.

Motorists should exercise caution when approaching and traveling through all highway work zones.
