IMPROVEMENTS TO RAIL CROSSING ON BASELINE ROAD WILL REQUIRE LANE CLOSURE

LITTLE ROCK (12-8) Crews with Union Pacific Railroad scheduled to perform track repair on Baseline Road (Highway 338) in Little Rock will require lane closures next week, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The maintenance work, near the intersection with Arch Street, will require an alternating lane closure between the eastbound and westbound lanes on Wednesday, December 15th. The lane closures will be in effect from 7:30 a.m. to 3:30 p.m., weather permitting.

Motorists should exercise caution when approaching and traveling through all highway work zones.
