LITTLE ROCK (12-14) -- Crews replacing asphalt and removing debris will require lane closures this week and next on Interstate 40 in Prairie County, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The lane closures will be located in the vicinity of the White River and will require alternating lane closures between the eastbound and westbound lanes beginning Wednesday, December 15th and continuing through Friday, December 17th. Lane closures will also be in effect on Monday, December 20th.

The lane closures will be in effect between the hours of 8:00 a.m. and 3:00 p.m. each day, weather permitting.

Motorists should exercise caution when approaching and traveling through all highway work zones.
