ARKANSAS STATE HIGHWAY COMMISSION OPENS BIDS FOR IMPROVEMENTS IN FAULKNER COUNTY

LITTLE ROCK (4-13) -- The Arkansas State Highway Commission has opened bids for improvements to a roadway in Faulkner County, according to Commissioner Cliff Hoofman of North Little Rock.

The purpose of the project is to install a traffic signal, in Conway, at the intersection of Dave Ward Drive (Highway 60) and Country Club Road. Ewing Signal Construction, LLC of Nixa, Missouri, was awarded the contract at \$162,410.95.

“This signal will make this a safer intersection for motorists passing through this area of Conway,” stated Hoofman.

The project is being funded with money provided by the American Recovery and Reinvestment Act of 2009 (ARRA). The Act provided Arkansas with \$351 million in federal stimulus funds for roadway and bridge improvements throughout the state. Additional information about the ARRA can be found at www.recovery.gov. For more information about its impact on Arkansas, go to www.recovery.arkansas.gov. Information about specific road and bridge construction projects can be found by going to www.ArkansasHighways.com, and clicking on the ARRA logo and link in the lower right portion of the page.

Hoofman said work could begin on the project in two to four weeks, weather permitting. Completion is expected in late 2010.
