ARKANSAS STATE HIGHWAY COMMISSION OPENS BIDS FOR IMPROVEMENTS IN PULASKI COUNTY

LITTLE ROCK (4-13) -- The Arkansas State Highway Commission has opened bids for improvements to roadways in Pulaski County, according to Commission Chair Carl Rosenbaum of Little Rock.

The purpose of the first project is to resurface approximately one mile of West Broadway (Highway 70/Highway 365) in North Little Rock. Redstone Construction Group, Inc. of Little Rock, Arkansas, was awarded the contract at \$175,267.67.

“This project will begin at the intersection of West Broadway and Poplar, and continue westward to Pike Avenue,” stated Rosenbaum.

A second project will resurface approximately 6.5 miles of Highway 107. Rogers Group, Inc. of Nashville, Tennessee, was awarded the contract at \$815,239.28.

“This resurfacing project will begin at the Faulkner County line and continue southward to County Road 89,” Rosenbaum added.

Rosenbaum said work could begin on the projects in two to four weeks, weather permitting. Completion is expected on both projects in late summer of 2010.
