ARKANSAS STATE HIGHWAY COMMISSION OPENS BIDS FOR IMPROVEMENTS IN PERRY COUNTY

LITTLE ROCK (7-13) -- The Arkansas State Highway Commission has opened bids for improvements to roadways in Perry County, according to Commissioner Cliff Hoofman of North Little Rock and Perry County Judge Baylor House.

The purpose of the project is to resurface approximately one mile of Breezwood Road (County Roads 78 and 237), near Stony Point. Perry County of Perryville, Arkansas, was awarded the contract at \$72,901.56.

“Keeping our county roads in the best condition possible is always a top priority,” stated Judge House.

Hoofman noted that the County Road project is funded through the State Aid Road Program established by the legislature and administered by the State Aid Division of the Arkansas State Highway and Transportation Department. This program provides approximately \$20 million annually from the state motor fuels tax to assist counties with projects of their choosing on the county road system.

Hoofman said work could begin on the project in two to four weeks, weather permitting. Completion is expected in the fall of this year.
