ARKANSAS STATE HIGHWAY COMMISSION OPENS BIDS FOR IMPROVEMENTS IN SEBASTIAN COUNTY

LITTLE ROCK (11-16) -- The Arkansas State Highway Commission has opened bids for improvements to a roadway in Sebastian County, according to Commissioner Dick Trammel of Rogers.

The purpose of the project is to replace a bridge on Highway 252, near Washburn. T-N-T, Inc. of Van Buren, Arkansas, was awarded the contract at \$590,359.90.

“The new bridge on Highway 252 replaces one just south of the intersection with Highway 10 and is located over a branch of Washburn Creek,” stated Trammel. “The new bridge will mean safer travel for motorists for years to come.”

Trammel said work could begin on the project in two to four weeks, weather permitting. Completion is expected in the summer of 2011.
