LITTLE ROCK (2-11) -- Crews performing guardrail repairs will require a lane closure next week on Interstate 40 in Prairie County, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The lane closure will be located in the vicinity of the White River (Milemarker 199 to 201) and will require the westbound, outside lane to be closed beginning Tuesday, February 15th and continuing through Thursday, February 17th.

The lane closure will be in effect between the hours of 8:00 a.m. and 3:00 p.m. each day, weather permitting.

Motorists should exercise caution when approaching and traveling through all highway work zones.
